THE CLASSIC CONTI

WORD ON THE STREET

“It's hard not to imagine you're in New York as you bite into the mouth-watering Porchetta Pleaza...or even a classic Conti done the JoeY Zaza's way...Sitting pretty on St Georges Terrace, it shouldn't come as a surprise that these guys do some of the best catering in town. Whether you're after huge platters filled with tasty sangas or you want to order every sandwich or salad individually, they'll help you out. Just be sure to add some brownies, cookies or muffins to your order, you won't regret it.”

- URBAN LIST, PERTH

“JoeY Zaza's version [Nonna's Famous Meatballs] is notable for its plush hand-rolled meatballs. Made with soft white bread for minimum resistance and maximum squashability, these meatballs, with a little bit of force, collapse into a squishy, glorious mess of red-sauce comfort - a defining feature, I've been told by many a New Yorker, of a good parm.”

- BROADSHEET, MAX VEENHUYZEN
